

# It's All About To Change

Travis Tritt

What made you think I'd let you  
Go on treatin' me this way  
What made you think I'd let you run me down  
I have tried to keep my cool  
But I will not play your fool  
And it's all about to change starting now

Girl, if you had your way, I'd be crying everyday  
Happiness it one thing you would not allow  
I have listened to your lies, you can't say I haven't tried  
But, it's all about to change starting now

I once believed you cared for me, boy, was I ever wrong  
Still you made me love you I still don't know how  
It's a game that I can't win but I'll be damned if I give in  
'Cause it's all about to change starting now

Girl, if you had your way, I'd be crying everyday  
Happiness it one thing you would not allow  
I have listened to your lies, you can't say I haven't tried  
But, it's all about to change starting now

Yeah, it's all about to change starting now
