Hold on to Me

Trevor Rabin

If I held a flame For those who hurt in vain Would you believe in me? If I trusted you And bared my soul to you Would you deceive me? If I failed to do What I set out to do Would you run out Hold the candle tight Would you run out Wait until it's right

Hold on to love, hold on to me Hold on to love, hold on to me If we start to think About the winds of change Would you believe in me?

If a shadow fell And told us time will tell Would you deceive me? If I couldn't say The words I wanted to say Would you run out? Hold the candle tight Would you run out? Wait until it's right
