Tribal Seeds

Rude girl, rude girl
Come steal my loving, come steal my loving
Rude girl, rude girl
Rob away my loving, come rob my loving

Said I want nothing less, want nothing more
Still she the best, that I know sure
Said I want nothing less, want nothing more
Still she the best, that I know sure

And she be running through my head
Knocking at my door
Should I let her in
I don't know for sure
And she be running through my head
Knocking on my door
Should I let her in, yeah

Rude girl, rude girl
Come steal my loving, steal my loving
Rude girl, rude girl
Rob away my loving, rob my loving

She got a beast within lying in wait to pray on
She got a beast within lying in wait to pray on

And like a thief in the night
She got to run and hide
They're knocking at your door
You're nowhere in sight
Like a thief in the night
Got to run and hide
They're knocking at your door, yeah

Rude girl, rude girl
Come steal my loving, come steal my loving
Rude girl, rude girl
Rob away my loving, come rob my loving, rob my loving, yeah

Said I want nothing less, want nothing more
Still she the best, that I know sure
Said I want nothing less, want nothing more
Still she the best, that I know sure

She be running through my head
Knocking at my door
Should I let her in
I don't know for sure
She be running through my head
Knocking on my door
Should I let her in, yeah

Rude girl, rude girl
Come steal my loving, come steal away my loving
Rude girl, rude girl
Rob away my loving, come rob my loving, rob my loving, yeah
