

# Let Me Ride

Trick Daddy

Give me a chevy tre cheverlet let me ride  
Half a pill just a hit it gets me high  
Duce tre esclade that's my style  
T double d thuggin and raw ride or die

I used to be a polo kid  
Who would of thought of all the stupid shit that I did  
I used to sport it talk about it  
That's the reason why shorty went in the hood and bought it  
Mr. Rabbit like a fast from the past bone jean overalls why'all can kiss my  
ass  
Thug nigga going back to the basic  
And that Iceberg on the curve is thug animated  
But first off this is T double  
When I hitya with them k cutters  
You turn bout three colors  
Gon and get your big brother I don't care  
I'm dade county major slash player  
Hold up 'cause Mr. Dollar got sold up  
Time for war now be a boy what's the hold up  
A new candiate for the thug of the year  
I'm the ultiment thug the rest of them busta is quitters

You know it's your boy are Ross, the overweight hell of a nigga so pepperlic  
oius  
And we getting it  
Sitting on serious inches  
We dem niggas smoking coco and serious vison  
(at the door) bouncers don't touch us  
They know once ounces go up they hold up  
And know what  
I drink cris let it bubble back  
I'm leaning on double stack ready to snap  
Trick already know why'all ain't ready for us  
We make a way in the club waving a slug come play with a thug  
I can let why'all lay in the mud  
I battle you partner  
A spotter that's hotter with a nuff music to wake pac up  
Keep your glocks up you can't stop us  
True husltler chop doctors knot in pockets  
In truly didited or god got us

Some of these ho's think I'm manish  
Go head ask me were I got my manners  
Bitch ask your mamie  
I slap a bitch in minute  
Seen it twice already ho I muthafucking mean it  
Plus d bout big money get honey lauging  
That six hundred still running  
So what's the cause mayham or murder  
Who is the killer shit I'll kill ya  
Got money so I'll make it in court  
Plus I'ma thug nigga and I'll never get caught  
Bout to set up shop pushing caine to rocks  
Plus my glock gon take this shit on top  
This ain't no muthafucking hang out  
We don't eat shit smoke caine out the same damn house

This is thug life not a citcom  
Plus we got big guns ready for change now
