```
Looking out
Across the nightime
The city winks a sleepless eye
Hear her voice
Shake my window
Sweet seducing sighs
Get me out
Into the night time
Four walls won't hold me tonight
If this town
Is just an apple
Then let me take a bite
Chorus:
If they say
Why, why, tell 'em that it's human nature
Why, why, does he do me that way
If they say
Why, why, tell 'em that it's human nature
Why, why, does he do me that way
Reaching out
To touch a stranger
Electric eyes are everywhere
See that girl
She knows I'm watching
She likes the way I stare
```

I like livin' this way

I like lovin' this way

Looking out

Across the morning

Where the city's heart begins to beat

Reaching out

I touch her shoulder

I'm dreaming of the streetChorus

(Ad lib - fade out)
