

Keep Your Head Up

Trippie Redd

Woah, woah
Woah, woah
Woah, woah

Yeah, you gotta keep your head up for me
You gotta keep your head up for me, for me, for me
You gotta keep your head up for me, for me
Me, me
Me, me
Yeah, gotta keep your head up for me
Yeah, cause I'm trynna find
Yeah, you gotta keep your head up for me
Woah, woah, cause I'm trynna find
Think outside your mind
Yeah, yeah

Now my wrist froze up bitch
Lamborghini got the doors up bitch
You know what it is you chose up bitch
Keep your heart, keep your soul up bitch
You was looking for exposure bitch
I was looking for some closure bitch
We can pop drugs like I'm Rosa bitch
Big up blood, need a donor shit
I'm ready to give up my soul bitch
I'm on that shit that you know I'm with
Shooting shit up and exposing shit
Now my heart got a hole in it
When I travel my mind you can go in it
Pick ya stuff up we can put a fort in it
Milk in your mouth, Oreos in it
Sucking that pussy I'm froze in it yeah

Big 14 know the fuck goin' on, yeah
Woah, woah
Woah, woah
Woah, woah

Yeah, you gotta keep your head up for me
You gotta keep your head up for me, for me, for me
You gotta keep your head up for me, for me
Me, me
Me, me
Yeah, gotta keep your head up for me
Yeah, cause I'm trynna find
Yeah, you gotta keep your head up for me
Woah woah, cause I'm trynna find, think outside your mind
Yeah

I keep my mind open
If it's on my mind then you know it
I be speaking my mind like a poet
I guess this is why I was chosen
Keep my foot on their neck now I'm golden
Squish-N-Splash in designer I'm soaking
It's game over now enter a token
This time you better be focused

Yeah, better keep your head up
Better keep your head up
Yeah, I've been dealing with so much shit
Baby, I'm fed up
Yeah, but I keep faith baby, I keep my head up
Fuck what they're talking 'bout
Let's run them bands up
Yeah

Yeah, keep my, keep my, keep my, keep my
Woah, woah
Woah, woah
Woah, woah

Yeah, you gotta keep your head up for me
You gotta keep your head up for me, for me, for me
You gotta keep your head up for me, for me
Me, me
Me, me

Woah, woah
Woah, woah
Woah, woah
