Oh, yeah, yeah, yeah Yeah, yeah, yeah Big 14 bitch, big 14 bitch, Yeah

Living in this fucking life of sin, yeah
Hoping that the God will let us in, yeah
Open up them gates and let us in, yeah
I blow it down with that FN
If that's my brother, that's my brother till the end
That's my brother not my motherfucking friend
That's my woadie, that's my slime, that's my kin
This is a wraith this ain't no motherfucking Benz

Swerve, swerve, swerving I count it till my fingers hurting Tryna do this shit, I make it perfect Sippin' on this drink, I lose my purpose Try to test me then it's curtains You ain't nothing but a bird steady chirping I done made it out the motherfucking dirt bitch That just came from serving niggas like a clerk bitch Yeah like a clerk bitch See them snakes up on the grass them are serpents Kick the pussy niggas down 'cause they worthless Test my gangsta, I'ma kill you that's for certain God won't be blessing you God blessed me like I said achoo Diamonds dancing on me and they saying "peekaboo" Electrify that nigga like a fucking Pikachu Yeah keep a chopper, I might pop you Phone 'em they gon' drop you She gon' suck the dick, and she need a sponsor Took that bitch to Berri's, got that bitch some lobster

Living in this fucking life of sin, yeah
Hoping that the God will let us in, yeah
Open up them gates and let us in, yeah
I blow it down with that FN
If that's my brother, that's my brother till the end
That's my brother not my motherfucking friend
That's my woadie, that's my slime, that's my kid
This is a wraith this ain't no motherfucking Benz

Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah We're brothers, we're happy and we're singing and we're coloured, doodo-do-doo, Big 14 bitch
