Mac 10

Trippie Redd

Imma hop out with that MAC-10 (Imma hop out with that)
Pussy get shot for that cappin' (Cap)
Pussy get popped by that action (Pussy get popped by that)
Please say hello to my gat bitch (Please say hello)
Slime is my blood on that slatt shit (Slatt)
Bitch not my blood on my black shit (Black shit)
I'm from 8 hunnids block where we whack shit
If I want it, I take it, we snatch shit

I'm at the top of the penthouse Real nigga, your pocket on lint ball Alien diamonds like Chrystal You cannot trap with no pistol These niggas lame and they not in my league Bitch niggas smell like gelato that's greed Cute lil bitch and she swallow my seed I keep a gat and lil bitch on her knees We stick together like Cuban links Drippin with Trippie, I came in a mink We out in public they flashing the cameras Look at my diamonds they wet like a sink All of my bitches be bad to the bone And they know I'm a king at the top of the throne Flew out to Spain they was singing my song I got that stick and I'm never alone

Imma hop out with that MAC-10 Pussy get shot for that cappin' Pussy get popped by that action Please say hello to my gat bitch Slime is my blood on that slatt shit Bitch not my blood on my black shit I'm from 8 hunnids block where we whack shit If I want it, I take it, we snatch shit

Nigga know that I'm slime, I get slimy as ever I got what I got and I got it together We got some problems we poppin' wherever The big homie can't even squash it I'm tellin' you If I get the shit I ain't posting it, we selling it Go to my show, put on drip like I'm dealing it Shout out my young niggas swear they be killing shit Sipping codeine that shit give me energy I'm from 400 block where we still trapping Niggas know that we gangbang we still active We walk down with them sticks like we drill masters Got them macs and them rays we gone kill Casper And I hop out with that shit on me They treat the kid like I'm big homie Shout out to blood he know that I'm coming He know that I keep that drip on me

Imma hop out with that MAC-10 (Imma hop out with that)
