

# Thinkin' About You

Trisha Yearwood

I'm not quite sure what's goin' on  
But all day through and all night long  
I've been thinkin' about you  
I've been thinkin' about you

The look in your eyes when you smile that way  
The sound of your voice sayin' my name  
I've been thinkin' about you  
Just keep thinkin' about you  
This single minded fascination I've got  
Do you call it love  
If you don't then what  
All I know is I don't know what you've done  
And this train ain't about to jump the track that it's on

In the back of my mind there's a secret place  
But the whole world knows by the smile on my face  
I've been thinkin' about you  
Can't stop thinkin' about you

I know it's crazy callin' you this late  
When the only thing I wanted to say is  
I've been thinkin' about you  
Just keep thinkin' about you  
I Can't stop thinkin' about you  
Always thinkin' about you
