Troy Ave

Awh Man

But some suckas  
And some fake  
Real niggas  
And it's a Shame

Awh Man

Ain't nothing  
But some lying

They Talkin Fly  
THeY GLorify  
But I Know it's Lies  
Keep that bullshit from round me  
They Talkin Fly  
THeY GLorify  
But I Know it's Lies  
Keep that bullshit from round me

I wake up  
Get dressed  
Put my gun on  
But no vest  
Grind time  
Rolex  
Paper chase  
On your mark set  
Real nigga  
More or less  
Deal giver  
I got blow for less  
Since hilfiger  
I've been photo fresh  
Be your self  
Who u tryna impress  
If the world was sucka free  
It would just be me  
Me and my niggas  
With a couple choice bitches  
Who jus fuck  
And mind they bizness  
No pretenders  
Living with us  
Time is money  
Talk is cheap  
And so if life  
And I can make you an expense  
So watch your feet  
Around my toes  
I hit the road  
To success

And ain't no breaks  
Jus my flow  
Trunk full of blow  
They both mean doe  
That's mine for the take  
I'm a be great  
That's not for debate  
You gon be fake  
With a heart full of hate  
When u seeing my face  
You seeing my pace  
Real nigga shit  
U can't relate

Awh Man

Fake tits  
Fake bag  
On a fake bitch  
Fake swag  
Tryna play rich  
Sharing bed rooms  
With they're bro or sis  
Talkin to me like I don't know  
Philippe's what  
You a wing ho  
Popeyes

I am not these niggas in the industry  
If the world was sucka free  
It would be me and all my bitches  
Can't forget my real niggas  
Gettin money  
Doing bizness  
No pretenders  
Living with us  
Time is money  
I don't sleep  
Life is cheap

And I will make you an expense  
So watch your feet  
Around my high top air force 1's  
Fake niggas jus force guns  
To they head chest  
That's man down  
BROOKLYN know I don't fuck around  
When you outta town be humble  
Every hood got it's own jungle  
Underestimates  
Be for the fakes  
While the real relate  
To what guns do  
Work!
