

# Angels Brought Me Here

Troye Sivan

It's been a long and winding journey  
But I'm finally here tonight  
Picking up the pieces, and walking back into the light  
Into the sunset of your glory  
Where my heart and future lies  
There's nothing like that feeling,  
When I look into your eyes

My dreams came true, when I found you  
I found you, my miracle

If you could see, what I see,  
That you're the answer to my prayers  
And if you could feel, the tenderness I feel  
You would know, it would be clear  
That angels brought me here

Standing here before you  
Feels like I've been born again  
Every breath is your love  
Every heartbeat speaks your name

My dreams came true, right here in front of you  
My miracle...

If you could see, what I see  
You're the answer to my prayers  
And if you could feel, the tenderness I feel  
You would know, it would be clear  
That angels brought me here

Brought me here to be with you,  
I'll be forever grateful (Oh, forever faithful)  
My dreams came true  
When I found you  
My miracle

If you could see, what I see  
You're the answer to my prayers  
And if you could feel, the tenderness I feel  
You would know, it would be clear  
That angels brought me here  
Yes they brought me here  
If you could feel, the tenderness I feel  
You would know, it would be clear  
That angels brought me here
