Turbonegro

Hush earthling  
You're not worthy  
Hush earthling  
You reek of turdy  
Hush earthling  
You flip me the birdy  
Hush earthling  
Now you're gonna hurty

Hush earthling  
Hush

Hush earthling  
I've come a long way  
Hush earthling  
To make you my prey  
Hush earthling  
I've come to stay  
Hush earthling  
You taste like you're gay

Hush earthling  
Hush earthling  
Hush earthling  
Hush

Hush earthling  
Do you want to die?  
Hush earthling  
Then look me in the eye  
Hush earthling  
I come from the planet Szürdelifoy  
Hush earthling  
Ah you're such a girlie boy

Hush earthling  
Hush earthling  
Hush earthling  
Hush
