

The Age of Pamparius

Turbonegro

From the ashes of this golden age of confusion,
the denim recruits came to be
known as the apocalypse dudes.
So you think you had an Opera
well not like this
So you think you had a Napoli
well not like this
So you think you had a decent pizza
well not like this
so you think you had a real good pizza
well not like this
You got nothing to lose at Pamparius
gonaa wear them happy shoes tonight
You got nothing to lose at Pamparius
gonna bake a motherfucking pizza tonight
so you think you had a pepperoni
well not like this
So you think you had a calzone
well not like this
So you thought you could make your own
well not like this
So you thought you could take it home
Well not like this
You got nothing to lose at Pamparius
gonna wear them happy shoes tonight
You got nothing to lose at Pamparius
Gonna bake a motherfucking pizza tonight
Apocalypse dudes got nothing to lose
Gonna stomp some teenage ass tonight
Apocalypse dudes got nothing to lose
Gonna bake some motherfucking magic
