

Easton & Main

Turnpike Troubadours

Well I left my heart in Tulsa
On the corner of Easton and Main
On the Cain's Ballroom floor
Soaking up a bourbon stain
And I'm going back to see her
Just as soon as I can
Cause I left my heart in Tulsa
On the corner of Easton and Main

Well we drove up to the city
On a autumn Saturday night
Ah and damn that girl looked pretty
In the artificial moon light
And I swore she looked right at me
Like we were meant to be
But what's a girl like that gonna wanna have to do
with a country boy like me

Cause I left my heart in Tulsa
On the corner of Easton and Main
On the Cain's Ballroom floor
Soaking up cheap champagne
And I'm going back to see her
Just as soon as I can
Cause I left my heart in Tulsa
On the corner of Easton and Main

Well I'm back down on a farm
Dreaming 'bout those big city lights
Waken up at dawn
Workin' 'till its night
But I'm savin' up my money
And this time I'll make her see
What a girl like that just might want
With a country boy like me

Well I left my heart in Tulsa
On the corner of Easton and Main
On the Cain's Ballroom floor
Soaking up a bourbon stain
And I'm going back to see her
Just as soon as I can
Cause I left my heart in Tulsa
On the corner of Easton and Main
