

## Fall Out of Love

Turnpike Troubadours

How do you fall out of love  
Well how could you lose such a thing  
You try and hang on to what's already gone  
Now how does a person just change  
Well how do you fall out of love

Why did it wind up so bad  
Were the good times all that we had  
We laughed and we loved but when push came to shove  
Why did it end up so sad  
How did we fall out of love

Well you bet your heart on a diamond  
And I played the clubs in spades  
We gambled and lost, guess we both paid the cost  
Look what a mess I have made  
Well how did we fall out of love

Now how do you know when it's over  
Well how do you know when to run  
For cryin' out loud, I was bound to walk out  
How do you know when it's done

And how do you fall out of love  
Well how could you lose such a thing  
You try and hang on to what's already gone  
But how does a person just change  
Well how do you fall out of love
