

# Is It Love

Twenty 4 Seven

Is it love  
is it love that you want from me  
is it love  
is it love that you want from me baby yea

Is it love is it love - oh oh oh oh  
is it love is it love  
is it love that you want from me baby yea

Maybe one day I'll find a way  
to make you say what you wanna say  
I'm hoping you'll be the one that I see  
and the one that I need

Now I'm gonna try  
to make you feel the things that I feel inside  
now maybe you'll cry  
but with you I just can't lie

Tell me now what you want from me baby  
is it love that you want from me baby yea

Is it love is it love  
is it love that you want from me  
is it love is it love  
is it love that you want from me baby yea

Tell me please I'm on my knees  
so I can set my mind at ease  
there's always a way to make you say  
that you wanna stay

Now just let me know  
if I'm the one for you just let it show  
'cause I wanna be  
the only one that you see

Tell me now what you want from me baby  
is it love that you want from me baby yea

Is it love is it love  
is it love that you want from me baby yea

Is it love is it love or romance  
or a trick to keep me in a trance  
take it on like the moon around the world  
I'm just a fool for you girl  
come down and don't keep me around  
take a trip with the sound  
I wanna let you know I'm not a fool for you  
I will show you what you need to do

Boom my heart is pumping  
and just for you it is jumping  
I wanna take you here wanna take you there  
everyday we'll be humping  
one time two time tell you

gimme gimme your love and I'll hold you  
make up your mind 'cause I need to know  
where to go

Tell me now what you want from me baby  
is it love that you want from me baby yea

Is it love is it love - oh oh oh oh  
is it love is it love  
is it love that you want from me baby yea

Is it love is it love - oh oh oh oh  
is it love is it love  
is it love that you want from me baby yea
