

Before You Start Your Day

Twenty One Pilots

Open the slits in your face and start your day
You don't have much time to make your slits look just right
I'm in your mind
I'm singing
I'm in your mind
I'm singing la-da la-da la-da la-da la-da la-da

Look in the mirror and ask yourself if you're alright
Put out the glitter that your soul hides behind
You're in my mind
I'm singing
You're in my mind
I'm singing la-da la-da la-da la-da la-da la-da

Nowhere were they holy
Open up your eyes and see
The clouds above will hold you
The clouds above will sing

And in your mind
You're singing la-da la-da la-da la-da la-da la-da-da
