I just wanna stay in the sun where I find I know it's hard sometimes Pieces of peace in the sun's peace of mind I know it's hard sometimes Yeah I think about the end just way too much But it's fun to fantasize On my enemies I wouldn't wish who I was But it's fun to fantasize Oh-oh-ohhh, oh-oh-ohhh I'm falling So I'm taking my time on my ride Oh-oh-ohhh I'm falling So I'm taking my time on my ride Taking my time on my ride "I'd die for you," that's easy to say We have a list of people that we would take A bullet for them, a bullet for you A bullet for everybody in this room But I don't seem to see many bullets coming through See many bullets coming through Metaphorically I'm the man But literally I don't know what I'd do "I'd live for you," and that's hard to do Even harder to say when you know it's not true Even harder to write when you know that tonight There were people back home who tried talking to you But then you ignore them still All these questions they're for real Like who would you live for? Who would you die for? And would you ever kill? Oh-oh-ohhh, oh-oh-ohhh I'm falling So I'm taking my time on my ride Oh-oh-ohhh I'm falling So I'm taking my time on my ride Taking my time on my ride (Help me Help me) I've been thinking too much I've been thinking too much (Help me) I've been thinking too much I've been thinking too much (Help me) I've been thinking too much (I've been thinking too much) I've been thinking too much (Help me) I've been thinking too much (I've been thinking too much) I've been thinking too much (Help me)
