

Cry For The Desert

Twila Paris

I will cry for the desert
When He's bleeding from His heart and soul
Die for the desert
And remove my hands from what I hold
Deeper in my heart I will hear Him call
Deeper in my heart I will give it all
Deeper in my heart
I will cry for the desert
Oh, I will die for the desert
Oh, I will cry
Cry for the desert
I will tremble and receive His pain
Die for the desert
I will pour my life on this terrain
Deeper in my heart I will hear Him call
Deeper in my heart I will give it all
Deeper in my heart
I will cry for the desert
Oh, I will die for the desert
Oh, I will cry
The smallest grain of sand
Is held inside my hand
And when I look I see His face
The smallest grain of sand
Is held inside my hand
And when I look I see His face
I will cry for the desert
When He's bleeding from His heart and soul
Die for the desert
And remove my hands from what I hold
I will cry for the desert
Oh, I will die for the desert
Oh, I will cry for the desert
Oh, I will die for the desert
I will cry
