

# Hallelujah I Found Him

Tye Tribbett

(I'm so glad I found the Lord, Jesus in time)  
I found Him in time.  
(I'm so glad I found Him in time),  
I found Him in time.  
(Picked me up and turned me around),  
(placed my feet on solid ground),  
(He took away) took away all of my doubts,  
(then He moved) then He moved all of my fears,  
(He gave me joy) joy, unspeakable joy,  
(then He wiped away) wiped away everyone of my tears;  
(And I found) I found the Lord, Jesus,  
(I found) I found the Lord, Jesus,  
(I found) I found the Lord, Jesus  
just in time, just in time.

I once was lost in sin,  
Jesus took me in,  
then a light from heaven filled my soul,  
it bathed my heart with love,  
and He wrote my name above;  
I found Him, I found Him,  
I found Him just in time.

(I'm so glad I found the Lord, Jesus in time)  
I found Him in time.  
(I'm so glad I found Him in time),  
I found Him in time.  
(Picked me up and turned me around),  
(placed my feet on solid ground),  
(He took away) took away all of my doubts,  
(then He moved) then He moved all of my fears,  
(He gave me joy) joy, unspeakable joy,  
(then He wiped away) wiped away everyone of my tears;  
(And I found) I found the Lord, Jesus,  
(I found) I found the Lord, Jesus,  
(I found) I found the Lord, Jesus  
just in time, just in time.

Hallelujah, I found Him.

(I'm so glad I found the Lord, Jesus in time)  
I found Him in time.  
(I'm so glad I found Him in time),  
I found Him in time.  
(Picked me up and turned me around),  
(placed my feet on solid ground),  
(He took away) took away all of my doubts,  
(then He moved) then He moved all of my fears,  
(He gave me joy) joy, unspeakable joy,  
(then He wiped away) wiped away everyone of my tears;  
(And I found) I found the Lord, Jesus,  
(I found) I found the Lord, Jesus,  
(I found) I found the Lord, Jesus  
just in time, just in time.
