

I Found A Savior

Tye Tribbett

I found a Savior, I found Him in time,
He's all I need, He's all I need.
Someone so faithful, a friend 'til the end,
He's all I need, He's all I need.

I'd rather have Jesus than houses and land,
I found a Savior, (I found a Savior, He's all I need).
I'd rather have Jesus than silver and gold,
I found a Savior, (I found a Savior, He's all I need).

He's all I need, He's all I need.
I found a Savior, He's all I need.
He's all I need, He's all I need.
I found a Savior, He's all I need.

I found a Savior
