

Prodigal Son

Tye Tribbett

I can't believe this
I'm not suppose to living like this
Thought it was fun
Thought I could do what I want
And I thought I was grown
And could make it on my own
I thought no one really understands me
And even though I'm home
I feel so alone
I thought do what you feel like doing
No one cares anyway
Maybe then someone will notice you

Now how I ended up where I am
I don't know
I never planned on being here
The devil tempted me
And I was drawn away
But I have no desire to stay, oh

Got to get out of here I got to get out of here I wanna be with you

I can't believe what I got myself into
Thought I had everything under control
I didn't realize the whole time
That the enemy had plans to destroy my life
Father please wont you have mercy on me
Please forgive me and restore your joy
I can't imagine staying here till I die
I gotta get back to your side
&Now I realize

The devil tempted me
And I was drawn away But I have no desire to stay, oh

Got to get out of here I got to get out of here I wanna be with you (5x)

Father I know I messed up
But I'm asking you to please take me back
Whoo, I'll repent father
Yea!, I'm coming home
I wanna be with you Jesus
Anybody wanna be with the lord?
Yea!, here we go say "I!"
Oh!
Hey!, Yea!
Please take me back (3x)
I'm sick of the storm, "I"
Please!
I'm sick of my old ways
I wanna be with chu
Take me back Lord
I'm ready for change
Yea!, I got to get out
Pleeeaaasse!
Hey, anybody going back tot he fathers house with me?
Come on and go with me (3x)

Let's Go!
He'll take us back I know
He's faithful Ya'll come on!
Anybody wanna go back to the fathers house?
You kno you left his presence
And now things aint working in your favor... [Fade out]
