

Sweet Holy Spirit

Tye Tribbett

Can't you feel it, don't you see it;
it's the presence of God in this place.
The anointing of the Holy Ghost;
It's the presence of God .
Lifts every burden , destroys every yoke,
kindles the fire of every living soul.
Since Pentecost, Your presence near,
now there is no fear

Sweet Holy Spirit.
Sweet Heavenly Dove.
Stay right here with us,
fill us with power from above.
