

The Altar

Tye Tribbett

I need someone to go to.
I need a place when I go through.
I need a shelter, from the rain
I need a refuge from the pain

You said that you will never leave me,
and you said you'd never forsake me.

At the altar I'll bring my prayers to you
At the altar I'll bring my gifts to
Please be my altar,
Lord I really need you and you've always come through
At the Altar

Oh, oh-oh, oh-oh-oh, oh-oh-oo, oh-ah, oh
Lord you've always come through at the ALTAR
At The Altar.
