

Your Blood (The Communion Song)

Tye Tribbett

As far as the East is to the West
Is as far as he placed my wrenched sins away from me
He paid the price that I could never pay
He died so that I once bound now live in victory

That's why I thank you for your blood
Thank you for your blood
Thank you for your blood you shed for me on calvary

That's why I thank you for your blood
Thank you for your blood
Thank you for your blood, the blood that washed my sins away

My life's been stained enough by my own hands
Time and time again I failed not following your plan
But still your blood covers all I've ever done
My past, present, and future sins
All covered by the son
And I'll say...

That's why I thank you for your blood
Thank you for your blood
Thank you for your blood you shed for me on calvary

How precious is the blood
That grants me access to the throne
How great because this love
That you would send your son to die for you and I just to mend a failed relationship

Thank you
Thank you for your blood you shed for me on calvary
And I:

Thank you for your blood
Thank you for the blood
Thank you for your blood
Your blood that washed my sins away
And I

I know it was the blood
I know it was blood
I know it was the blood

That set me free. That delivered me

I know it was the blood
I know it was the blood
I know it was the blood
The blood that washed my sins away

Covered by the blood
Covered by the blood
Covered by the blood
Covered by the blood
Covered by the blood
Covered by the blood

That protects me and keeps me

Covered by your blood, your blood that washed my sins away
I know it was the blood, your blood that washed my sins away
Thank you for your blood, your blood that washed
My sins
Away away away away
