

I Got The Music In Me

Tygers of Pan Tang

Ain't got no trouble in my life
No foolish dream to make me cry
I'm never frightened or worried
I know I'll always get by

I heat up (I heat up)
Cool down (cool down)
When something gets
In my way, I go round it
Don't let life get me down
Gonna take it the way that I found it

I got the music in me
I got the music in me
I got the music in me, yeah
I got the music in me
I got the music in me
I got the music in me

They say that life is a circle (circle)
But that ain't the way that I've found it
Gonna move in a straight line (ooh)
Keeping my feet firmly on the ground

I heat up (I heat up)
I cool down (I cool down)
I got words in my head
So I say them

Don't let life get me down
Catch a hold of my blues
And just play them

I got the music in me
I got the music in me
I got the music in me, yeah
I got the music in me
I got the music in me
I got the music in me

Feel funky, feel good
Gonna tell you, I'm in the neighborhood
Gonna fly like a bird on the wing
Hold on to your hat, honey
Sing, sing, sing, sing

Heat up, cool down (cool down)
I got words in my head
So I say them

Don't let life get me down
(Don't let it get you down)
Catch a hold of my blues
And just play them

I got the music in me
I got the music in me

I got the music in me, yeah
I got the music in me
I got the music in me
I got the music in me

Ain't got no trouble in my life
No foolish dream to make me cry
I'm never frightened, I'm never worried
I know, I know I'll always get by

I got the music in me
I got the music in me
I got the music in me, yeah
I got the music in me
I got the music in me
I got the music in me

I got the music
I got the music
I got the music in me
I got the music
I got the music
I got the music in me

I got the music, pretty music
I got the music in me

Don't let it get you down
Don't let it get you down
Don't let it get you down
Don't let it get you down
Don't let it get you down
Don't let it get you down

(CHORUS)

Don't let it get you down
Don't let it get you down
Don't let it get you down

I got the music in me
I got the music in me
I got the music in me
Don't let it get you down
Don't let it get you down "
