

This Is Where My Heart Breaks

Tyler Hilton

It's the way that you look tonight
When you look at me
It's the distance behind your eyes
It's the way that you look tonight
When you look at me
It's the distance behind your eyes
That I can see

Somethin' 'bout how you take my hand
Somethin' in your touch
Somethin' in your silence
That says too much

This is where my heart breaks
This is where you see me cry
I know what kiss is
This is goodbye, goodbye

Well, I know that you tried your best
To let me down slow
That don't make it easier
To let you go

No there's nothing you can say
Nothing you can do
Nothing left between us now
But the cold hard truth

'Cause this is where my heart breaks
This is where you see me cry
I know what kiss is
This is goodbye, goodbye, goodbye, goodbye

This ain't easy
This is hell now
This is over
I can tell now

This is where my heart breaks
This is where you see me cry
Oh, this is where my heart breaks
This is where you see me cry
I know what kiss is
This is goodbye, goodbye, goodbye, goodbye
