

It feels like a perfect night
To dress up like hipsters
And make fun of our exes
Oh oh, oh oh
It feels like a perfect night
For breakfast at midnight
To fall in love with strangers
Oh oh, oh oh

Yeah, we're happy, free, confused and lonely at the same time
It's miserable and magical, oh yeah
Tonight's the night when we forget about the deadlines, it's time, oh oh

I don't know about you
But I'm feeling twenty-two
Everything will be alright if
You keep me next to you
You don't know about me
But I'll bet you want to
Everything will be alright if
We just keep dancing like we're
Twenty-two, twenty-two

It seems like one of those nights
This place is too crowded
Too many cool kids
(Who's Taylor Swift anyway? Ew!) Oh oh, oh oh
It seems like one of those nights
We ditch the whole scene
And end up dreaming instead of sleeping, yeah

We're happy, free, confused and lonely in the best way
It's miserable and magical, oh yeah
Tonight's the night when we forget about the
heartbreaks, it's time, oh oh

I don't know about you
But I'm feeling twenty-two
Everything will be alright if
you keep me next to you
You don't know about me
But I'll bet you want to
Everything will be alright if
We just keep dancing like we're
Twenty-two, twenty-two

I don't know about you
Twenty-two, twenty-two

It feels like one of those nights
We ditch the whole scene
It feels like one of those nights
We won't be sleeping
It feels like one of those nights
You look like bad news
I gotta have you
I gotta have you

ooo ooo yeah.....

I don't know about you
But I'm feeling twenty-two
Everything will be alright if
You keep me next to you
You don't know about me
But I'll bet you want to
Everything will be alright if
We just keep dancing like we're
Twenty-two, twenty-two
Twenty-two, twenty-two

It feels like one of those nights
We ditch the whole scene
It feels like one of those nights
We won't be sleeping
It feels like one of those nights
You look like bad news
I gotta have you
I gotta have you
