(She give me money) Now, I ain't sayin' she a gold digger  
(When I'm in need) But she ain't messin' with no broke, broke  
(She give me money) Now, I ain't sayin' she a gold digger  
(When I'm in need) But she ain't messin' with no broke, broke

Cutie the bomb, met her at a beauty salon  
With a baby Louis Vuitton under her underarm  
She said: "I can tell you rock, I can tell by your charm  
Far as girls, you got a flock  
I can tell by your charm and your arm"  
But I'm lookin' for the one, have you seen her?  
My psychic told me she'll have a... like Serena  
Trina, Jennifer Lopez, four kids  
I gotta take all they bad asses to ShowBiz?  
Okay, get your kids, but then they got their friends  
I pulled up in the Benz, they all got up in  
We all went to din' and then I had to pay  
If you messin' with this girl then you better get paid  
You know why? It takes too much to touch her  
From what I heard she got a baby by Busta  
My best friend said she used to... with Usher  
I don't care what none of y'all say, I still love her

(She give me money) Now, I ain't sayin' she a gold digger  
(When I'm in need) But she ain't messin' with no broke, broke

Eighteen years, eighteen years  
She got one of your kids, got you for eighteen years  
I know somebody payin' child support for one of his kids  
His baby mama car and crib is bigger than his  
You will see him on TV any given Sunday  
Win the Super Bowl and drive off in a Hyundai  
She was supposed to buy your shorty Tyco with your money  
She went to the doctor, got lipo with your money  
She walkin' around lookin' like Michael with your money  
Shoulda got that insured, Geico for your money  
If you ain't no punk  
Holla, "We want prenup! We want prenup!" Yeah!  
It's somethin' that you need to have  
'Cause when she leave yo'... she gon' leave with half  
Eighteen years, eighteen years  
And on the 18th birthday, he found out it wasn't his?

(She give me money) Now, I ain't sayin' she a gold digger  
(When I'm in need) But she ain't messin' with no broke, broke
