

# I Don't Want To Get Over You

Tyler Ward

We should call this quits, we both know  
But you're my checklist from head to toe  
But something's tellin' me it just ain't right  
And when I try to leave you whisper stay the night

I, I don't want to get over you  
I, I know, I know the truth  
You and I will disagree  
This make-believe will never be a real thing  
I, I don't want to get over you

I don't want to  
I don't want to get over...

It's been about ten days since I've seen you  
I'm finally out this maze, I got a clear view  
But every now and then I'm feelin' terrified  
Some days are like the end, some days I wish you were mine

I, I don't want to get over you  
I, I know, I know the truth  
You and I will disagree  
This make-believe will never be a real thing  
I, I don't want to get over you

I don't want to  
I don't want to get over...  
I don't want to  
Don't want to get over...

I've done something bad  
'Cause now I want you back  
This is something that kills me

I, I don't want to get over you  
I, I know, I know the truth  
You and I will disagree  
This make-believe will never be a real thing  
I, I don't want to get over you
