

I Would

Tyler Ward

If I could take away the pain and put a smile on your face
Baby I would, baby I would
If I could make a better way, so you could see a better day
Baby I would, baby I would, I would

Bring the doorway to the sky and lend you the keys
Let you know that you're always welcomed so that you never leave
Buy you all those fancy things that you only see on tv, yeah
Run away, to our hideaway, we be living the american dream
And i, know it's never gonna be that easy
But I know that it won't hurt us to try

If I could take away the pain and put a smile on your face
Baby I would, baby I would
If I could make a better way, so you could see a better day
Baby I would, baby I would, I would

Wo-oh, wo-oh, wo-oh baby I would

To the love forever wide, so that it never runs dry
Anytime you ask me why I'm smiling, say that I'm satisfied
You got your flaws and so do I,
Past lovers that made you cry
And though I wanna make it right
I just can't read your mind

And I, know It's never gonna be that easy
But I know that It won't hurt us to try

If I could take away the pain and put a smile on your face
Baby I would, baby I would
If I could make a better way, so you could see a better day
Baby I would, baby I would, I would

Wo-oh, wo-oh, wo-oh baby I would

Yeah it's not about what I want
It's all about what you need
I know that he hurt you, but that wasnt me
And I know, and I know sometimes it's hard to see
That all we need to be

If I could take away the pain and put a smile on your face
Baby I would, baby I would
If I could make a better way, so you could see a better day
Baby I would, baby I would, I would

Wo-oh, wo-oh, wo-oh baby I would

Wo-oh, wo-oh, wo-oh baby I would
