

# Just Give Me a Reason

Tyler Ward

Right from the start you were a thief  
You stole my heart  
And I your willing victim

I let you see the parts of me  
That weren't all that pretty  
And with every touch you fixed them

Now you've been talking in your sleep, Oh oh  
Things you never say to me, Oh oh  
Tell me that you've had enough of our love  
Our love

Just give me a reason  
Just a little bit's enough  
Just a second we're not broken, just bent  
And we can learn to love again

It's in the stars  
It's been written in the scars on our hearts  
We're not broken just bent  
And we can learn to love again

I'm sorry I don't understand  
Where all of this is coming from  
I thought that we were fine  
(Oh, we had everything)

Your head is running wild again  
My dear we still have everything  
And it's all in your mind  
(Yeah, but this is happenin')

You've been havin' real bad dreams, Oh oh  
You used to lie so close to me, Oh oh  
There's nothing more than empty sheets  
Between our love, our love  
Oh our love, our love

Just give me a reason  
Just a little bit's enough  
Just a second we're not broken, just bent  
And we can learn to love again

I never stopped  
You're still written in the scars on my heart  
You're not broken just bent  
And we can learn to love again

Oh tear ducts and rust  
I'll fix it for us  
We're collecting dust  
But our love's enough

You're holding it in  
You're pouring a drink  
No nothing is as bad as it seems

We'll come clean

Just give me a reason  
Just a little bit's enough  
Just a second we're not broken, just bent  
And we can learn to love again  
It's in the stars  
It's been written in the scars on our hearts  
We're not broken just bent  
And we can learn to love again

Just give me a reason  
Just a little bit's enough  
Just a second we're not broken, just bent  
And we can learn to love again  
It's in the stars  
It's been written in the scars on our hearts  
We're not broken just bent  
And we can learn to love again

Oh, we can learn to love again (2x)  
Ooh, that we're not broken just bent  
And we can learn to love again
