

# See You Again

Tyler Ward

It's been a long day without you, my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
And I'll tell you all about it when I see you again  
When I see you again

Man, who knew?  
All the planes we flew  
Good things we've been through  
That I'll be standing here talking to you  
About another path  
I know we loved to hit the road and laugh  
But something told me that it wouldn't last  
Had to switch up  
Look at things different see the bigger picture  
Those were the days  
Hard work forever pays  
And now I see you in a better place

How could we not talk about family when family's all that we got?  
Everything I went through you were standing there by my side  
And now you gonna be with me for the last ride

It's been a long day without you, my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
And I'll tell you all about it when I see you again  
When I see you again

First you both go out your way  
And the vibe is feeling strong  
And what's small turn to a friendship  
A friendship turn into a bond  
And that bond will never be broken  
And the love will never get lost  
And when brotherhood come first  
Then the line will never be crossed  
Established it on our own  
When that line had to be drawn  
And that line is what we reach  
So remember me when I'm gone

How could we not talk about family when family's all that we got?  
Everything I went through you were standing there by my side  
And now you gonna be with me for the last ride

It's been a long day without you, my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
And I'll tell you all about it when I see you again  
When I see you again
