If you're going out with someone new
I'm going out with someone too
I won't feel sorry for me, I'll finish this drink
But I'd much rather be somewhere with you

Laughing loud on a carnival ride, yeah Driving around on a Saturday night
You made fun of me for singing my song
Got a hotel room just to turn you on

You said pick me up at three a.m.
You're fighting with your mom again
And I'd go, I'd go, I'd go somewhere with you

I won't sit outside your house
And wait for the lights to go out
Call up an ex to rescue me, climb in their bed
When I'd much rather sleep somewhere with you

Like we did on the beach last summer When the rain came down and we took cover Down in your car, out by the pier You laid me down, whispered in my ear

I hate my life, hold on to me And if you ever decide to leave Then I'll go, I'll go, I'll go

I can go out every night of the week
Can go home with anybody I meet
But it's just a temporary high 'cause when I close my eyes
I'm somewhere with you, somewhere with you

If you see me out on the town
And it looks like I'm burning it down
You won't ask and I won't say
But in my heart I'm always somewhere with you

Laughing loud on a carnival ride, yeah Driving around on a Saturday night You made fun of me for singing my song Got a hotel room just to turn you on

You said pick me up at three a.m. You're fighting with your mom again And I'd go, I'd go, I'd go

I can go out every night of the week
But it's just a temporary high 'cause when I close my eyes
I'm with you
