

# The Middle

Tyler Ward

Take a seat  
Right over there, sat on the stairs  
Stay or leave  
The cabinets are bare and I'm unaware  
Of just how we got into this mess  
Got so aggressive  
I know we meant all good intentions

So pull me closer  
Why don't you pull me close  
Why don't you come on over  
I just can't let you go

Oh, baby  
Why don't you just meet me in the middle  
I'm losing my mind just a little  
So why don't you just meet me in the middle  
In the middle

Take a step  
Back for a minute, into the kitchen  
Floors are wet  
And taps are still running, dishes are broken  
How did we get into this mess  
Got so aggressive  
I know we meant all good intentions

So pull me closer  
Why don't you pull me close  
Why don't you come on over  
I just can't let you go

So baby  
Why don't you just meet me in the middle  
I'm losing my mind just a little  
So why don't you just meet me in the middle  
In the middle

So baby  
Why don't you just meet me in the middle  
I'm losing my mind just a little  
So why don't you just meet me in the middle  
In the middle

Looking at you I can't lie  
Just pouring out admission  
Regardless my objection  
No, it's not about my pride  
I need you on my skin just  
Come over, pull me in just

Baby  
Why don't you just meet me in the middle  
I'm losing my mind just a little  
Why don't you just meet me in the middle  
In the middle

So baby  
Why don't you just meet me in the middle  
I'm losing my mind just a little  
So why don't you just meet me in the middle  
In the middle
