

# We Found Love

Tyler Ward

Yellow diamonds in the light,  
And we're standing side by side.  
As your shadow crosses mine,  
What it takes to come alive..

It's the way I'm feeling I just can't deny,  
But I've gotta let it go.

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

Shine a light through an open door,  
Love and life I will divide.  
Turn away cause I need you more,  
Feel the heartbeat in my mind.

It's the way I'm feeling I just can't deny,  
But I've gotta let it go.

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

Yellow diamonds in the light,  
And we're standing side by side.  
As your shadow crosses mine,

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place
