## Trainride in Russia

U.D.O.

poezd po rossii-idet iidet
poezd po rossii-sto gramm ivpered
perestuk koles-neob yatna dal
poezd nas unes-k natshalu vscech natshal

here i tell my story believe what i have seen and nothing had prepared us the welcome we received

coming back from kazakhstan the gear has not arrived the fans geared up and ready we rocked them for their lives

trainride in russia-again and again trainride in russia-nastrovje man to man the rolling of the wheels the distance of the land trainride in russia-that's where it all began

with igor and with fitty naked in the car shouting at each other who the f\*\*k's the tsar

swetlana was a darling her face will never fade she made lorenzo happy showed him the russian way

## chorus

and our crew was blinded a challenge they did raise the russian guys were ready and won the vodka race

when drinking with the pilots a southern comfort round then stefan's fear of flying came crashing to the ground

## chorus

parading for their victory army, air and corps looking up the building where udo was the star

and when the tour is over we're never quite the same already miss our comrades until we meet again
