## Fire

Falling falling The sun is burning black Falling falling It's beating on my back With a fire With a fire Falling falling The moon is running red Falling falling It's pulling me instead With a fire Fire But there's a fire inside When I'm falling over There's a fire in me When I call out I built a fire I'm going home Falling falling The stars are falling down Falling falling They knock me to the ground With a fire Fire But there's a fire inside When I'm falling over There's a fire in me When I call out There's a fire inside When I'm falling over I feel the fire I'm going home
