

Staring At The Sun

U2

Ami **G** **F** **Emi**
Summer stretchin' on the grass Summer dresses pass
Ami **G** **F** **Emi**
In the shade of a willow tree Creeps are crawling over me
Ami **G** **F** **Emi**
Over me and over you, stuck together with God's glue
Ami **G** **F**
It's gonna get stickier too, It's gonna be a long hot summer
G **F** **G**
Lets get under cover, Don't try to hard to think, don't think at all

C9 C/B **Ami7**
R: You're not the only one staring at the sun
 D **F**
Afraid of what you'll find, If you step back inside
 C9 C/B **Ami7**
I'm not just deaf and dumb I'm staring at the sun
 D **F**
I'm not the only one, Who's happy to go blind

There's an insect in your ear if you scratch it won't disappear
It's gonna itch and burn and sting
Do you want to see what the scratching brings
Waves that leave me out of reach
Breaking on your back like a beach...
Will we ever live in peace?
Cause those that can't do often have to
Those that can't do often have to... preach

R: To the ones staring at the sun...
Afraid of what you'll find if you took a look inside
Not just deaf and dumb... staring at the sun
I'm not the only one who'd rather go blind

Intransigence is all around... military is still in town
Armour plated suits and ties... daddy just won't say goodbye
Referee won't blow the whistle god is good but will he listen
I'm nearly great
But there's something I'm missing I left in the duty free
Though you never really belonged to me

R: You're not the only one staring at the sun
Afraid of what you'd find if you stepped back inside
I'm not sucking my thumb I'm staring at the sun
Not the only one who's happy to go blind
