

# Stuck in a Moment You Can't Get Out Of

U2

I'm not afraid  
Of anything in this world  
There's nothing you can throw at me  
That I haven't already heard

I'm just trying to find  
A decent melody  
A song that I can sing  
In my own company

I never thought you were a fool  
But darling look at you  
You gotta stand up straight  
Carry your own weight  
These tears are going nowhere baby

You've got to get yourself together  
You've got stuck in a moment  
And now you can't get out of it

Don't say that later will be better  
Now you're stuck in a moment  
And you can't get out of it

I will not forsake  
The colors that you bring  
The nights you filled with fireworks  
They left you with nothing

I am still enchanted  
By the light you brought to me  
I listen through your ears  
Through your eyes I can see

And you are such a fool  
To worry like you do  
I know it's tough  
And you can never get enough  
Of what you don't really need now  
My, oh my

You've got to get yourself together  
You've got stuck in a moment  
And you can't get out of it

Oh love, look at you now  
You've got yourself stuck in a moment  
And you can't get out of it

I was unconscious, half asleep  
The water is warm 'til you discover how deep

I wasn't jumping, for me it was a fall  
It's a long way down to nothing at all

You've got to get yourself together  
You've got stuck in a moment

And you can't get out of it

Don't say that later will be better  
Now you're stuck in a moment  
And you can't get out of it

And if the night runs over  
And if the day won't last  
And if our way should falter  
Along the stony pass

And if the night runs over  
And if the day won't last  
And if your way should falter  
Along this stony pass

It's just a moment  
This time will pass
