```
Dmi
And love is not an easy thing
the only package that you can bring
Dmi
Love is not an easy thing
the only package that you can bring is
All that you can't leave behind
                           G
And if the darkness is to keep us apart
And if the daylight feels like it's a long way off
                                        G
                                                    Emi
And if your glass heart should crack, before the second you back
      A E
Oh no, be strong
       D
R: Walk on
   Walk on
   What you got, they can't steal it
   No they can't even feel it.
   Walk on
       Α
   Walk on
   Stay safe tonight
You're packing a suitcase for a place, none of us has been
A place that has to be believed, to be seen
You could have flown away
A singing bird, in an open cage
Who will only fly, only fly, for freedom
R: Walk on
  Walk on
   What you got
   You can't deny it
   Can't sell it or buy it
   Walk on
   Walk on
   You stay safe tonight
And I know it aches
How your heart it breaks
You can only take so much
Home... Hard to know what it is
If you never had one
Home... I can't say where it is, but I know I'm going
```

Home... That's where the heart is
And you know it aches
And your heart it breaks
You can only take so much
Walk on
Leave it behind. You've got to leave it behind
All that you fashion,
all that you make,
all that you build,
all that you break,
all that you measure,
all that you feel,
all this you can leave behind
All thatyou reason,
all that you care...
