Uffie

Hop in the Uber
With my Ziploc bags
Don't care for rumors
Gonna burn your pants
I'm defenseless
Whenever I'm in your hands
Cool

Cool
Cool
Cool
(One, two, three)

We could still be good for recreation
Babe wants a vacation
Tells me over cereal
How much it would mean to him
So we go deeper
Like we deep sea divin'
Like we tipsy drivin'
We will never reel it in
You know I'll toss you in the bin
If you're goin' out, I'm stayin' in
Maybe I swear I'll never drink again (Drink again)

Mink when I'm cold
Kissing by the pool
Life's a disco
Cool
Temporary love
Pockets full of fun
Life's a disco
Cool

Cool
Cool
Cool

Finally somebody left me out here
People need someone to care
I'm not goin' anywhere
Always hated losin'
Never stop moving
Got nothing left to prove
But my vocals still need tunin'
You're taking pictures
To catch a memory
I'm not against it
I just don't want to remember it
'Cause lately I'm not feelin' it
And we will never reel it in

Mink when I'm cold
Kissing by the pool
Life's a disco
Cool
Temporary love

Pockets full of fun
Life's a disco
Cool

Hop in the Uber
With my Ziploc bags
Don't care for rumors
Gonna burn your pants
I'm defenseless
Whenever I'm in your hands
I'm feelin' breathless
Turn my fingers white
I don't listen
Don't care if you're right
I'm defenseless
Whenever I'm in your hands

Cool
