

Just Another Suicide

UFO

Just a bad situation
Got me low, feelin' down
I'm wonderin' why
Caught me unawares
No one knows and no one cares
They put you down no matter how you try
(1) Put the words together
Feelin' so strong
I can't last forever
I can't hold on, I can't hold on, no no
Somebody, someone is tearin' my whole inside
Somebody, someone is takin' me for a ride
Just a little bit of madness
Do you no harm
(2) Another night, it's a nervous shakedown
Lookin' for a place to hide
This could be your nervous breakdown
It's just another suicide
Just a cold realization, gotta go
I'm gonna turn and run away
Got me in a spin, I'm gonna lose and never win
They put you down no matter what you say
(1) Repeat
I can't hold on, no no
[INSTRUMENTAL]
(2) Repeat
[piano break]
Just a bad situation
I can feel it gettin' closer everyday
Say I'm out of line
[I'm takin' out of borrowed time]
What's the use of tryin' anyway
(1) Repeat
Somebody, someone is takin' me for a ride
Somebody, someone is tearin' my whole inside
Just a little bit of madness
Do you no harm
(2) Repeat
(3) Another suicide, another suicide
Another suicide, another suicide
Another suicide, another suicide
