Love to Love

Oh it's been too many times, and I can't go back Night bars, guitars, rundown motels like shacks What it mounts up to, I don't want it at all Lost you, and I want you today Misty green and blue Love to, love to, love you Misty green and blue Love to, love to, love you To be somethin', to be near you Don't say that you'll never know Love to, love to, love you Half the time it could seem funny The other half is just too sad This west bound moon's only rise and fall Lost you and I want you today Misty green and blue Love to, love to, love you Misty green and blue Love to, love to, love you To be somethin', to be near you I don't know where I'm goin' to I've tried and I need you to stay Yeah yea
