

Revolution

UFO

Love lies bleeding, from the east now to the west
I'm waiting to put your loving to the test
(1) I need to know, I need to give
I need to feel to breathe and live
I'm cutting loose and I'm breaking out
I'm goin' to leave you baby in no doubt 'cause
(2) This will be my own revolution
With a burning flag held high
I will make my own constitution
Till the day I die
Sensations in every move that you ever make
Revelations what you now give you can't take
(1) Repeat
(2) Repeat
[INSTRUMENTAL]
If hell is to give I'm wondering what I'm going to do
And I just couldn't see, oh and how
My feelings run hot and I just couldn't stop now
(2) Repeat
(2) Repeat
(2) Repeat
Till the day I die, till the day I die, till the day I die....
