

Dear John

Ultra Naté

Thought he'd read it and then toss it to the side
But instead there was only pain
As he read these lines

It said: "Dear John
Our love just can't go on
When you read this, I'll be gone
I'll miss you so."

"Dear John
I know it won't be long
You'll find another love
Sincerely, yours"

As he felt his heart start to beat again
All his hopes in tomorrow began to fade
Didn't know he could stand to live another day
(Just can't take it)

What happened to the promises?
The white castle and the bed of roses?
How could everything he loved just end
With a stroke of her pen?

It said: "Dear John
Our love just can't go on
When you read this, I'll be gone
I'll miss you so."

"Dear John
I know it won't be long
You'll find another love
Sincerely, yours"

It only takes one good time
For someone to tear your heart to pieces
It'll send you reeling, running out the door
Your mind screaming

You know it's not the end
Because tomorrow is another day
The memories will slowly fade away

One day someone's gonna love you
One day someone's gonna love you
One day someone's gonna love you

"Dear John
Our love just can't go on
When you read this, I'll be gone
I'll miss you so."

"Dear John
I know it won't be long
You'll find another love
Sincerely, yours"

Never fall in love again
Never fall in love again
Never fall in love again
Never fall in love again

One day someone's gonna love you
One day someone's gonna love you

Never fall in love again
Never fall in love again
Never fall in love again
Never fall in love again

One day someone's gonna love you
One day someone's gonna love you

Never fall in love again
Never fall in love again
Never fall in love again
Never fall in love again

Do ever feel like you never want to love again?
