

'Til the Break of Dawn

Upon a Burning Body

Damas y caballeros, ¿están listos para los más chingones?
Si vienen de Texas, cuidado, porque cuando la música comienza...
¡A la verga!

U-A-B-B be repping that south side
That west side, cruising that low ride
I'm brown and I'm proud
I'm wild, and I'm loud
You know we gotta party all the time
Tequila on my mind
And you know I got five on the Dime
Roll it up, smoke it up
Pour it up, drink it up

Pa' arriba, pa' abajo
Pal' centro, pa' dentro

Vamos a pistear, toda la noche
We like to party all night long
Estamos despiertos hasta que el sol sale
We're rolling 'til the break of dawn, baby

Puro chicano, puro texano
Taking over the world with my hermanos
L.W.O. out the El Camino and into the Benzo
Represent where you come from north side
Represent where you come from east side
Represent where you come from west side
Represent where you come from south side

Pa' arriba, pa' abajo
Pal' centro, pa' dentro

Vamos a pistear, toda la noche
We like to party all night long
Estamos despiertos hasta que el sol sale
We're rolling 'til the break of dawn, baby
Vamos a pistear, toda la noche
We like to party all night long
Estamos despiertos hasta que el sol sale
We're rolling 'til the break of dawn, baby

You know my people on the come up
Let's show these motherfuckers what's up
You tryna hang, we gon' turn up
Everybody here get buck, buck, buck
Where the fuck the party at?
You know you runnin' with the best
Got the east, got the west
Got the north, got the south
Man, that's what we're about yeah

Vamos a pistear, toda la noche
We like to party all night long
Estamos despiertos hasta que el sol sale
We're rolling 'til the break of dawn, baby
Vamos a pistear, toda la noche

We like to party all night long
Estamos despiertos hasta que el sol sale
We're rolling 'til the break of dawn, baby
