Upon a Burning Body

[Intro: Ice-T]

Yo, check this out

This Ice-T, Body Count

UABB, Upon A Burning Body Bitch

(That's UABBB)

Fuck that, anyway we up in this motherfucker

Security fucking with me, telling me to stop standing on the god damn couches

Now motherfucker, you could get hurt

[Chorus]

Turn down for what?!

Turn down for what?!

Yo, check this out

Turn down for what?!

[Ice-T]

Drunk in the club, liquor in my cup,

You can see that I don't give a fuck (turn down for what?)

Get out my face motherfucker, unless you wanna see what's up

(Turn down for what?)

[Verse 1]

Bartender just hit me with a double,

Drink tequila so you know we're in trouble.

Showing up to every party tipsy,

Living life like a stunna can you blame me?

Now that's my kind of party!

So light 'em up, up, up.

Cause tonight we just don't give a fuck.

You know we're always up to no good,

This is rockstar shit motherfucker, you wish you could!

You know we're always up to no good,

Fire up that loud, another round of shots.

[Chorus]

Turn down for what?!

Turn down for what?!

Turn down for what?!

[Ice-T]

Drunk in the club, liquor in my cup,

You can see that I don't give a fuck (turn down for what?)

Get out my face motherfucker, unless you wanna see what's up

(Turn down for what?)

[Verse 2]

You can find me chilling at the bottom of a cold drink,

Blasting Pantera, drinking OE,

Sipping on that coldcock whiskey,

You're fucking right, we're fucking crazy!

Now that's my kind of party!

So light 'em up cause tonight we just don't give a fuck.

[Hook: Ice-T]

Swear to god, this security guard looks at me one more time,
I'm punching him in the face.

Yo cuz, why you bumping all up into me nigga,

You drunker than me, what's happenin'?

Yo bitch, you ain't [?] your bottles bitch,
Are you fucking crazy?
Put the bottle down, this Upon a Burning Body,

Stay out my face motherfucker, unless you wanna see what's up

(Turn down for what?)

Drunk in the club, liquor in my cup,

You can see that I don't give a fuck (turn down for what?)

Get out my face motherfucker, unless you wanna see what's up

(Turn down for what?)
