

# Come Back To Me

Uriah Heep

**Dis** **Cm**  
Alone again I feel so alone again  
**Gis** **B**  
With this emptiness I just can't hide  
**Dis** **Cm**  
Picture me with a broken heart  
**Gis** **B**  
See the tears run down my face

**Dis** **Cm**  
Everything I had has gone  
**Gis** **Dis B**  
Loneliness... still lingering on  
**Dis** **Cm**  
Everything I thought was mine...  
**Gis** **Dis B**  
Come back to me can't, we try it one more time,  
**Dis**  
Come back to me

**F Gm** **F** **Dis**  
I know I'll find another love in time  
**F Gm** **F** **Dis**  
But you'll always be there in the back of my mind  
**B** **Dm**  
The power of love can bring such pain  
**Gis** **B**  
I still love you I just love you

**Dis** **Cm**  
Alone again I'm so alone again  
**Gis** **B**  
With nothing but you in my mind  
**Dis** **Cm**  
Can't you see what you've done to my life  
**Gis** **B**  
What can I do to win you back again

Everything I had has gone  
Loneliness... still lingering on  
Everything I thought was mine...  
Come back to me can't we try it one more time  
Come back to me, take a piece of my heart  
Come back to me
