

# High Priestess

Uriah Heep

You, who brought  
The sunshine to my eyes  
You, who wondered  
Through my sad disguise  
And I have a love  
That cannot die, for you

High priestess of my heart  
Tell me that we won't part

Then let's get together in the sky  
To leave the lonely world  
To wonder why  
For we have a love  
We can't deny, so true
